Dar la vuelta

66  
Abrir

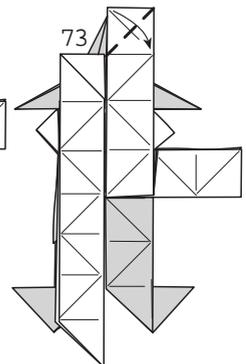

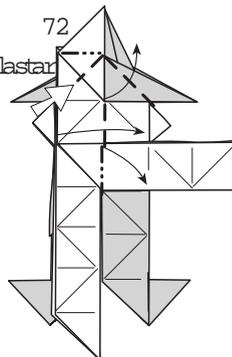

67  
Meter hacia el interior

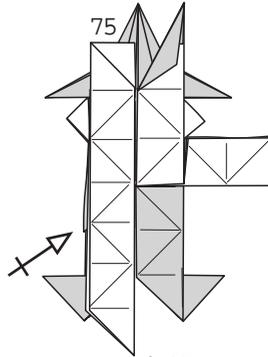

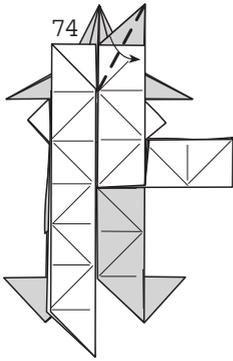

70  
Sacar el papel

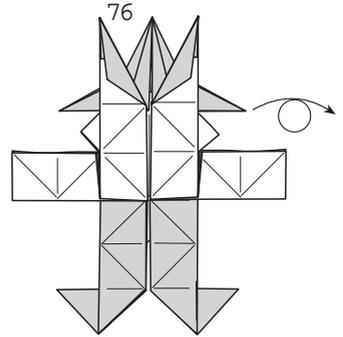

71  
Aplastar

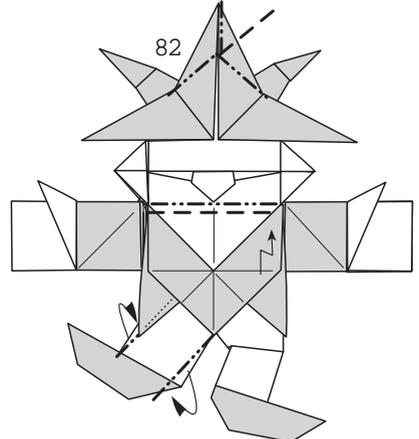

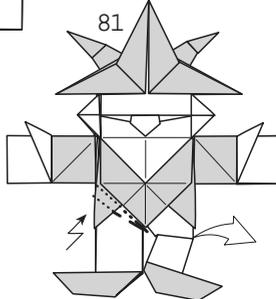

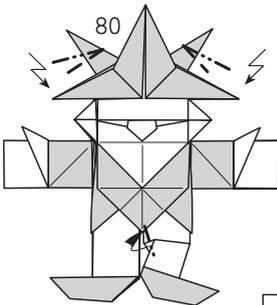

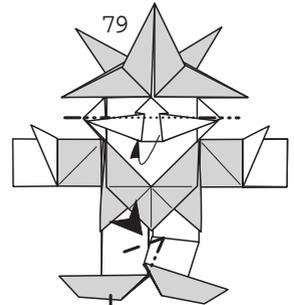

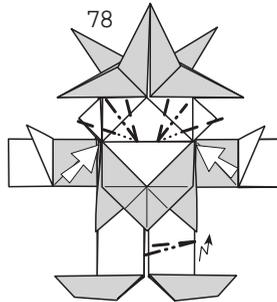

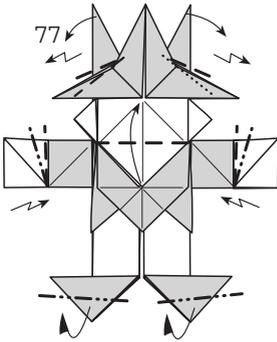

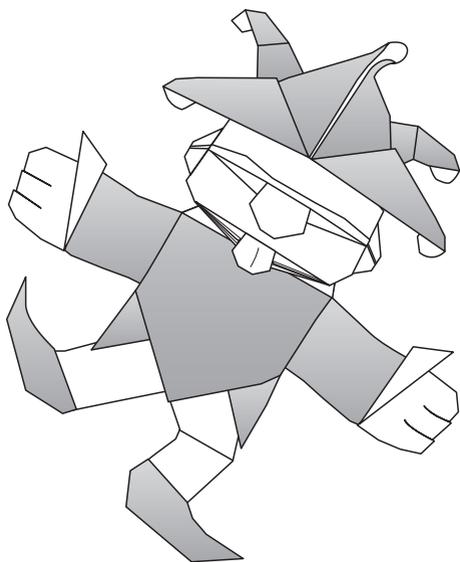

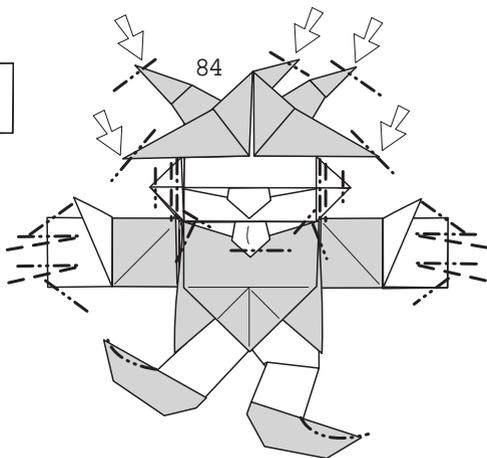

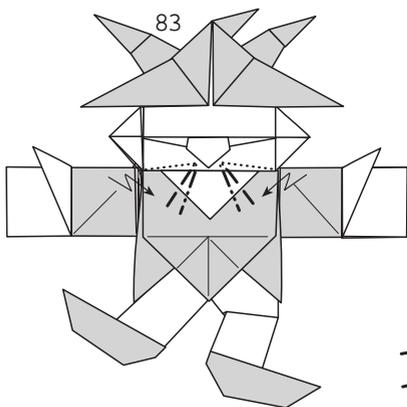

Repetir 63-74  
sin étricamente

Dar la vuelta

Este modelo lo diseñé porque un amigo tiene un grupo de música llamado "La Sangre del Bufón" y después de un concierto, me preguntó si era capaz de inventar un Bufón para el grupo. Me arriesgué (debido a la cerveza) y dije que sí. A sí que estuve 15 días dándole vueltas pero al final a mi colega le gustó el modelo.
